

Tours and Science Delivery

June 26, 2002. Jackson County Research Plots. Jackson County Sixth Annual Outdoor Future Farmers of American Seminar. 30 participants.

September 12, 2002. Jackson County Research Plots. Treasure Forest Association of NE Alabama. 50 participants.

October 2, 2002. Jackson County Research Plots. Madison County Treasure Forest Landowners. 32 participants.

October 22, 2002. Jackson County Research Plots. MeadWestvaco Regional Managers' Tour. 12 participants.

October 30, 2002. Jackson County Research Plots. Upland Hardwood Silviculture Short Course. 50 participants.

November 6, 2002. Jackson County Research Plots. Smurfit-Stone Woods Tour. 9 participants.

January 24, 2003. Jackson County Research Plots. Coastal Lumber and MeadWestvaco. 20 participants.

March 10, 2003. Jackson County Research Plots. Japanese Herpetologist Sumio Okada. 4 participants.

March 18, 2003. Jackson County Research Plots. Alabama A&M University SAF Accreditation. Minorities in Forestry: Celebrating Professional Accreditation. 2 CFEs granted. 52 participants.

March 24, 2003. Jackson County Research Plots. Alabama Land Trust. 60 participants.

April 12, 2003. Jackson County Research Plots. Alabama Forest Landowners. 75 participants.

May 5, 2003. Huntsville, AL. Walking Tour of Huntsville's Trees. 22 participants.

May 8, 2003. Hytop, AL. Mississippi State University Management Review of Stands, Decision Model Panel. 7 participants.

May 10, 2003. Jackson County Research Plots. Alabama Chapter, The Wildlife Society. 65 participants.

May 19, 2003. Centerville, TN. Mississippi State University Hardwood Management Decision Model Review Team. 8 participants

June 2-7, 2003. PASS 15, Asheville, NC. Program of Advanced Studies in Silviculture, Local Silviculture Mountains Training, "Some Ideas on Bottomland Hardwoods." 14 participants.

June 26, 2003. Jackson County Research Plots. Coastal Lumber Company. 4 participants.

June 27, 2003. Gurley, AL Riparian Study. The Nature Conservancy, Alabama Chapter. 15 participants.

July 21, 2003. Jackson County Research Plots. The Nature Conservancy, Alabama Chapter. 18 participants.

October 8, 2003. Jackson County Research Plots. Southern Research Station's Management Team. 40 participants.

October 23, 2003. Roberson Family Farm, Rogersville, AL. 20th Annual Alabama Landowner and Treasure Forest Conference, Alabama Forestry Commission, Alabama Treasure Forest Association. 300 participants.

October 8, 2003. Jackson County Research Plots. Southern Research Station's Management Team. 40 participants.

October 23, 2003. Roberson Family Farm, Rogersville, AL. 20th Annual Alabama Landowner and Treasure Forest Conference, Alabama Forestry Commission, Alabama Treasure Forest Association. 300 participants.

October 28, 2003. Alabama A&M University's State Black Archives Research Center and Museum, SRS Civil Rights Committee. 14 participants.

March 11, 2004. Elmore County, Alabama. Hardwood Plantations: Successes and Challenges. Invited by Tim Albritton, NRCS State Staff Forester. 20 participants.

April 8, 2004. Jackson County study plots. SPS 286 Wildlife Biology and Identification, Alabama A&M University class. Reptile trapping and sampling techniques. 11 participants.

April 10, 2004. J.D. and Annie S. Hays Nature Preserve, Owens Crossroads, Alabama. Woods Trail Development and Interpretation. 25 participants.

April 17, 2004. Hays Nature Preserve, Owens Crossroads, Alabama. Earth Day Celebration, including information table, displays and guided woods walks. 200 participants.

April 20, 2004. Jackson County study plots. Hardwood Silviculture. Alabama Master Tree Farmer students (with Agriculture Extension System agent). 10 participants.

May 1, 2004. Jackson County study plots. Research on Upland Hardwood Stands. Society of American Foresters Mountain Lakes Chapter and Alabama A&M University student chapter, and the Sierra Club of North Alabama, along with Alabama Department of Conservation and Natural Resources, The Nature Conservancy of Alabama, and Alabama A&M University forestry faculty. 75 participants.

May 17, 2004. Bent Creek Experimental Forest, Asheville, NC. Silviculture Research at Bent Creek. University of Southern Illinois Summer Forestry Camp. Assisted by Henry McNab. 30 participants.

May 21, 2004. Bent Creek Experimental Forest, Asheville, NC. Natural Resources Training for Congressional Staff Members- Bent Creek Appalachian Hardwood Research: history, what we know, our challenges, and balancing multiple uses on experimental forests. 20 participants.

June 23, 2004. Jackson county study plots. Hardwood Forests and Their Management. FFA students and instructors and Smurfit-Stone Company Foresters. 25 participants.

June 30, 2004. Jackson County study plots. Upland hardwood silviculture; land classification. Oak Ridge National Laboratory scientists, Oak Ridge, TN. 5 participants.

September 1, 2004. Jackson County Research Plots. Upland Hardwood Silviculture Research. Oak Artificial Regeneration Workshop. 22 participants.

September 22, 2004. Livingston, TN. Instructor, Hardwood Silviculture for Kentucky and Tennessee, state forestry agency personnel. 40 participants.

October 13, 2004. Bent Creek Experimental Forest. Evenaged Management, Oak Regeneration and Pressures on Experimental Forests. USDA Forest Service National Senior Leaders Program. 10 participants.

October 21, 2004. Walls of Jericho, Jackson County. Forest Management in the Mid-Cumberland Plateau Region. Alabama Forever Wild Land Trust and Tennessee Southeastern Society of American Foresters Field Day. 11 participants.

December 15, 2004. Jack McQuinn's Little Nashville Farm. NRCS Forest Management in Conservation Planning. 30 participants.

January 27, 2005. Bankhead National Forest. Review of Research and Field tour of selected stands. Review for CREST external committee member and Alabama A&M University cooperators. 25 participants.

April 28, 2005. Jackson County Research Plots. Hardwood Regeneration in the Cumberland Region. Southeastern Hardwood Forestry Group, Spring Meeting. 25 participants.

May 19, 2005. Jackson County Research Plots. How Do We Manage Upland Hardwood Forests? Treasure Forest Landowners of North Alabama and Alabama Forestry Commission Field Foresters. 16 participants.

May 23, 2005. Jackson County Research Plots. Upland Hardwood Silviculture. Alabama A&M University Summer Camp students and faculty. 10 participants.

August 11, 2005. Jackson County Research Plots. Annual Cooperative Meeting between National Forests in Alabama and AL Department of Conservation, Division of Wildlife and Freshwater Fisheries. Silviculture and Wildlife Studies in Jackson County, Alabama. 40 participants.

September 29, 2005. Daniel Boone National Forest, London, KY. Healthy Forest Restoration Act Project, Title IV on Cold Hill, scooping notice and tour for the general public. 25 participants.

October 28, 2006. Jackson County Research sites. Herpetofaunal research on the Cumberland Plateau: a visiting scientist's insight. 6 participants.

November 17, 2005. Bankhead National Forest, Double Springs, AL. Silviculture perspective: tour of research sites, including recently thinned sites and sites to be prescribed burned. 10 participants.

November 5, 2005, Walk-in-the-Woods, outreach on forest management, Society of American Foresters, Mountain Lakes Chapter. Attendees representing Alabama A&M University, University of the South (Sewanee, TN), North Alabama Birdwatchers Society, Stevenson Land Company, consultant foresters, teachers. 27 participants.

January 26, 2006. Bankhead National Forest, Double Springs, AL. Research towards a desired future condition- how does fire ecology fit? The Nature Conservancy, Alabama A&M University, University of Kentucky, BNF personnel. 11 participants.

March 30, 2006. Jackson County, Alabama. Forest ecology and management on the southern Cumberland Plateau. Researchers from Alabama A&M University and Notre Dame University visited four research sites and discussed oak silviculture, oak genetics, and forest management. 6 participants.

April 22, 2006. Hayes Nature Preserve, Owens Crossroads, Alabama. Forests and Forest Management Decisions in the southern Cumberland Plateau. 30 participants.

April 24, 2006. Franklin-Marion State Forest, Tennessee. Field tour with TN Department of Agriculture, Forestry Division, personnel to discuss potential research opportunities and management challenges. 4 participants.

June 13, 2006. Normal, AL, on the campus of Alabama A&M University. North Alabama Regional 4-H Congress. Served as judge for the Plant, Soils and Environmental Sciences Competitive Events.

June 14, 2006. Monte Sano State Park, Huntsville, AL. Girls, Inc (non-profit group benefiting minority girls). We are Foresters, Hear Us Roar! 20 participants.

June 21, 2006. Jackson County, AL. Forest Management in the Cumberlands. Tenth Annual Outdoor Future Farmers of America Seminar. 27 participants.
